Northeast Clean Ports Workshop

Successful Strategies and Funding to Reduce Diesel Emissions at Ports

February 1, 2006 • 9 AM to 5 PM

You are cordially invited to a one-day workshop on cost-effective, business-savvy strategies for reducing diesel emissions at ports.

The Northeast Diesel Collaborative, North Atlantic Ports Association, National Association of Waterfront Employers, Manufacturers of Emission Controls Association, and Clean Ports USA invite terminal operators (rail, trucking, and marine) and representatives from port authorities, government, and industry to attend this informative event!

The New Yorker Hotel
481 Eighth Ave • New York City

Enclosed with this invitation are registration materials. Please register online at www.nescaum.org/portsworkshop or by mail or fax.
