

## NTAQS 2010 Evaluation Form

We would like to have your feedback on the NTAQS Meeting to keep it focused on the topics that you find important. Please take a minute and answer the following questions. We also are planning on posting a web-based questionnaire on the NTAQS Webpage on NESCAUM's Webpage ([www.nescaum.org](http://www.nescaum.org)). If you'd like, you can complete the evaluation form there too as we are experimenting with methods to track the evaluations of our meetings.

- 1) What sessions were of the greatest interest or value to you?
  
- 2) What sessions were of least interest or value?
  
- 3) Did you consider the content of any session which you were not interested in or which you thought had little value to you was due to the topic itself or the presentation?
  
- 4) Were the facilities and accommodations adequate?
  
- 5) Is the accessibility of the presentation and meeting material on the website something you find desirable?
  
- 6) Any suggestions for the next NTAQS Meeting or other general comments?
