

# Northern Transportation and Air Quality Summit 2010

Cambridge, Massachusetts

August 24 – 26, 2010

## REGISTRATION FORM

*The Northern Transportation and Air Quality Summit 2010* is an event sponsored by the Federal Highway Administration and EPA Regions 1, 2, and 3. The purpose of the summit is to bring together stakeholders from both the transportation and air quality communities to discuss current and coming regulatory environment, technologies and current practices vital to the field of air quality and transportation. The summit is geared to practitioners involved with public agencies at all levels. A host of speakers from within the southern and eastern regions will present a number of key topics, best practices and latest information vital to transportation, planning and air quality professionals.
